

Dear Year R parents

We have unanimously agreed that your children are wonderful! They have made such a great start to school life - it really does feel like they've been here for much longer. Well done to all of you for helping with the smooth transition. I've really enjoyed meeting some of you face to face (socially distanced and outside!) - thank you for taking the time to do this. I still have some spaces if you haven't signed up yet.

We think we need to make a small adjustment to drop off and pick up procedures. I've reminded the year R staff that drop off for children with A - K surnames is at 8.45am and pick up is 3.15pm. Drop off for parents with A L-Z surnames is at 8.55am and pick up is at 3.25pm. It appears that the staff were still programmed for a 8.50am start and a 3.20pm drop off. Apologies for this and we will make sure the right times are in place from tomorrow!

We would also like to ask you to line up alongside the wooden fence running down the side of the outside area nearest to your child's class - socially distanced of course. This will enable the staff to see who is lined up next and ensure that the right child is delivered to the right person! Hopefully it will also ensure that there is less congestion between the Squirrels and the Ladybirds. This is all new to us - as it is to you - so please bear with us while we find what works best for all concerned.

Thank you for taking the time to read this and for working so hard to ensure that we keep school as safe as possible for our children.

Best wishes

Jacky
