

## Crofton 'Extra' – After School Clubs

We are very happy to be able to run our club programme again this term. As we are no longer restricted to class bubbles we are able to offer a wider range of clubs for your child to choose from. If your child would like to attend a club please could you mark their preferences below, with 1 being their first choice, through to 3 being their last choice. We will try our best to ensure all children who wish to attend have a place at a club. We cannot offer clubs on a Wednesday unfortunately as this is our staff meeting evening. Clubs will run for six weeks starting on the week beginning 24<sup>th</sup> January and ending the week beginning 7<sup>th</sup> March. Please note that your child will not be able to repeat a club that they attended last term
