Jubilee Celebrations

We are pleased to be hosting several activities in celebration of the Queen's 70th Jubilee.

On the afternoon of Thursday 26th May local author Anne Wan will be in school to share her story 'Manners Fit for a Queen' with all the children. They will also have the opportunity to do some related activities. A signed copy of the book will also be available to purchase, look out for more information on this soon.

On Friday 27th May we plan to have lots of different activities happening throughout the day and will share more details nearer the time, however we are sure this will be lots of fun for all to enjoy.

Office Reminders

- Please advise of any changes to your contact details as soon as possible. For a change of address then proof will also need to be provided.
- Absences due to medical appointments should be advised in advance wherever possible and again proof provided.
- Absences due to any other reasons should be advised in advance and via a request for absence form which is available either from the office or under Parents & CHIPS on the website.
- The office is covered between 08:30 and 16:30 every day, with an answerphone available outside these hours. We can also be contacted via adminoffice@croftonhammond-inf.hants.sch.uk. Where possible, please try to refrain from coming into the office during lunchtime when the children are out in the playground.

Thank you for your understanding.

Wraparound Care

Our breakfast and after school club provision has been getting more popular and we are pleased to be able to support our families in this way. However, to ensure your child's space requirements are met, please book your slots promptly. We offer a half termly booking window and encourage you to book up for whole duration where possible. We work on a first come first served basis and have to adhere to the appropriate children to adult ratios when considering late requests. Additionally, if your child's place is no longer required, please provide a minimum of 48 hours notice.
